INTRODUCTION.

IN appearing before our Fellow Citizens as Compilers of "THE DIRECTORY" for the present year, we would embrace the present opportunity of assuring them, that no labor has been spared on our part to present the work as free from errors as possible, and to deliver it as early to our patrons as practicable.

In order to make the work come at a price commensurate with the times, we have been forced to condense the Street Directory, without (as we hope,) materially impairing its utility. It still shows the position and course of each street, with the junctions and crossings of the intersecting streets; by means of which the exact location of any house may be easily ascertained.

The Alphabetical part of the Directory is considerably augmented; notwithstanding which, we have reduced the price of the Directory twenty-five per cent., which makes it the same price as it was when the population was little more than half what it is at present, and when no Street Directory was given.

This we do, hoping that the work may receive a more extensive circulation than it has heretofore, so as to afford us a fair remuneration for our labor.

THE

BROOKLYN STREET DIRECTORY;

Or, Guide for 1842 & 3.

SHOWING THE COMMENCEMENT, POSITION, AND TERMINATION
OF EACH STREET, WITH THE JUNCTIONS AND CROSSINGS
OF THE INTERSECTING STREETS, ALSO THE NUM-
BER OF THE HOUSE AT THE CORNER OF
EACH OF THE STREETS.

Where there is no house on the corner, or where the corner house fronts on the crossing street, the number of the house nearest the corner is given. It must be observed that in a considerable portion of the streets, the houses are entirely unnumbered. In those streets the Alphabetical Directory directs you to which of the crossing streets the house you are looking for is nearest situated.

For the information of strangers it may be necessary to add, that the odd numbers are invariably on the left hand from the commencement of each street.

Title.—The Mayor and Common Council of the city of Brooklyn.

Wards.—The city comprises nine wards. Act, April 6, 1840.

CITY ELECTION AND OFFICERS.

The Annual Election for city officers, takes place on the second Tuesday in April.

The polls are held in each of the wards, at places designated by the Common Council.

Officers Elected.—At the Annual Election, Mayor, two aldermen, one constable, one collector, and two assessors are elected in each ward. Beside these, there is a general ticket for the first seven wards, of six supervisors. One of the candidates for the last mentioned office, must be taken from the eighth or ninth ward.

These officers enter upon their duties the first Monday of May, and hold their offices for one year; but the assessors are required to meet as a board on the Tuesday after they have taken the constitutional oath of office.

The Common Council on the first Monday of May shall meet to appoint officers, such as president, weighers, measurers, gaugers, &c.

The Common Council also appoint a clerk, treasurer, comptroller, attorney, and counsellor, a street commissioner, a clerk for each market, two city collectors, and a number of marshals, not exceeding seven.

The Mayor is authorised to appoint police marshals, Act, 1841.

The expense of the fire and watch districts, shall be borne by the first seven wards.

The aldermen of each ward, are fence viewers for their respective wards.

The members of the Common Council shall be fire wardens, and the Common Council may appoint other fire-wardens.

The Common Council shall constitute a Board of Health, and the Mayor of the city shall be President of the same.

The Board of Health shall be empowered to appoint, annually a Health Physician.

The Common Council may prescribe and fix certain limits in the city, within which it shall not be lawful to carry on any noxious or offensive trades, manufactories, or establishments.

The Justices of the Municipal Court shall have all the powers, in criminal proceedings, of Justices elected in the several towns in this State.

The Common Council shall have power to call meetings of the freeholders, by giving eight days previous notice, at which meeting it shall be lawful for the taxable inhabitants to direct a sum of money to be raised, for purchasing a lot or lots of land, and for erecting thereon any public buildings which may be required for the city.

WILLIAM SNECKNER'S BAKERY AND CONFECTIONERY,

Corner of Fulton and Middagh Streets.

Having for many years before coming to Brooklyn, been engaged in the baking business in Bayard street, in the city of New-York, at the Bakery of his mother, (the late Mrs. E. Sneckner,) whose Bread and Cake acquired a well earned and very extensive celebrity in that city, and for the last four years in the city of Brooklyn, he now wishes to inform his customers and the public generally, that he has been making many improvements and additions, well calculated to please the taste and gratify the eye; and also to assure them that his arrangements are now completed for executing orders, always observing strict regard to neatness, cleanliness, and despatch.

LARGE DOMESTIC BREAD.

Wheat, Wheat and Indian, Rye, Graham and Twist, which shall not be excelled by any.

Hot Rolls, fresh every morning, at 8 o'clock, Sundays excepted.

Cakes of all descriptions.—Rusk, Buns and Tea Biscuit, hot every afternoon at 5 o'clock.

Crackers.—Butter, Soda, Milk, Pilot and Graham, fresh and always on hand.

Confectionery.—The subscriber having fitted up his establishment, is now ready to manufacture it in all its branches, and at the shortest notice.

Parties and Weddings can be supplied with

Pyramids of all kinds,		Blanc Mange,
Ice Cream and Jellies,		Charlotte de Russe,
Calf's Foot Jelly constantly on hand.		

All of the above, he pledges himself will be manufactured from articles of the best quality, and in a style not to be excelled by any in New-York city or Brooklyn.

Mottoes of all kinds,		Oranges and Lemons,
Almonds and Raisins,		Figs and Prunes.

Cakes baked, iced and ornamented in a style not to be surpassed.

BAILEY'S COMPOUND SARSAPARILLA MEAD SYRUP.

The proprietor for many years past has been engaged in the manufacture of FLUID EXTRACT AND SYRUP OF SARSAPARILLA, and from the numerous experiments he has made, together with his extensive experience in the manufacture of the above articles, he has succeeded in discovering a process for extracting the medicinal virtues of the Sarsaparilla hitherto unknown, which is the only way that the entire virtues can be extracted from the root. By this process he is enabled to produce a preparation superior to any other of the kind ever offered to the public, and is in reality a HEALTH RESTORER. It has been for several years in constant use in the Naval Hospitals, and by the Medical Faculty, generally, with the most entire success.

The subscriber, stimulated by the extensive sale of the above articles, has been induced, in addition to his other preparations of Sarsaparilla, to prepare and offer to the public a

COMPOUND SARSAPARILLA MEAD SYRUP,

containing all the medicinal properties of the Sarsaparilla, and producing a delicious beverage, the most grateful and healthy that has ever been invented. It removes indigestion, dyspepsia, and all derangements of the stomach, and by its tonic properties restores the Digestive organs to a healthy action. If it is used in the hot season merely as a common drink, it will do more good by its purifying restorative properties, than the most highly medicated waters of Saratoga. It is no quackery, but an article chemically prepared, and possessing real merit — far preferable to any other article in use. Combining medicinal virtues with pleasantness of taste, makes it really a desideratum; and all that use it, will approve of it, and use it again.

MILITARY SHAVING CREAM,

An Emollient Compound, most excellent for Shaving with either cold or warm water, prepared by WILLIAM BAILEY, Chemist, corner of Sands and Fulton streets, Brooklyn.

Certificates.

This is to certify, that I have made use of the Military Shaving Cream, prepared by William Bailey, corner of Fulton and Sands streets, for about eight months, constantly, and that I find it to be superior to any article of the kind I ever before used, and I would cheerfully recommend it as a mild, pleasant, and economical Shaving Soap.

D. L. HOLDEN.

Brooklyn, March 30th, 1842,

I have used the Military Shaving Cream, manufactured by Mr. William Bailey, corner of Fulton and Sands streets, Brooklyn. I consider it the most excellent article, and recommend it to the notice of the public.

M. P. O'HERN.

Brooklyn, March 27th, 1842.

If there ever was any discovery made by mortal man deserving the gratitude of the public, it is Bailey's Military Shaving Cream. I have used it for a long time, and I do unhesitatingly say it is the very best Soap ever yet invented for Shaving. It leaves the face as smooth and comfortable as one could ask for, and its perfume is delightful. The lather is thick and heavy, and does not dry on the face. Indeed, it may be called the "ne plus ultra" of the age, the desideratum.

B. H. BUTLER.

Brooklyn, March 20, 1842.

Brooklyn, March 29, 1842.

We, the undersigned, have used BAILEY'S MILITARY SHAVING CREAM for a long time, and take pleasure in recommending it to the public, as an article well worthy of their patronage, and consider it superior to any Soap we have ever before used.
